### PART II TEACHING PLAN

#### Introduction

**ATTENTION:** Today, we are going to practice drilling by elements. This will be new to you, but will allow for more time to correct the individual problems as they arise.

**MOTIVATION:** Do you, as an individual, believe that you are sufficiently knowledgeable to perform the position as drill instructor?

**OVERVIEW:** Drill by element is a different way to drill. The cadets that have the desire to drill the element will be allowed to do so.

**TRANSITION:** Let's begin.

#### Body

**NOTE:** The instructor will break down the cadet corps into elements to be drilled by the element leader.

The instructor will have the element leaders drill the elements using all the movements (except Color Guard movements) learned so far as listed.
